

Lukrécia Marčoková

Director of the Patent Department

Industrial Property Office of the Slovak Republic

Lukrécia Marčoková studied organic chemistry at the Slovak Technical University in Bratislava. After graduation in 1992 she worked as a technologist at two pharmaceutical companies and in 1998 joined the Industrial Property Office of the Slovak Republic. From 1998 to 1999 she worked as a patent examiner and then, from 2000 to 2003, she was a head of Examination Unit „Chemistry II“. During that time she carried out search and examination of patent applications in the field of organic chemistry and pharmaceuticals as well as examination of utility model applications and supplementary protection certificate applications. Since 2004 she has been a director of the Patent Department.
